"We booked our Company Christmas party at Chophouse 13 without prior experience with the establishment. The entire staff and experience exceeded our expectations. Our party of almost 40 was easily accommodated in a private room. Reservations were easy and simple to understand with communication being unwavering. Choices were fair and diverse for the price offered. The food was great, service was spectacular, and they even had special little touches to personalize the experience. We will definitely be back as a couple for our own dining experience and would definitely consider having another corporate party here"

"Thank you so much for a great night. The food and service was top notch. The menus were such a nice touch. You are greatly appreciated and will be highly recommended."
